

Good morning,

The Pflugerville Police Department is proud to offer a community-focused program designed to support and connect with the older adult community in our city.

Through this program, our COP (Community on Patrol) volunteers spend time visiting with seniors who might enjoy a little company. These visits can include playing games, chatting, or simply keeping someone company for a while. It is a warm, friendly way to stay connected and brighten someone's day.

If you or someone you know would be interested in having a COP volunteer stop by for visits, please let us know. We would be happy to help get everything set up.

We are also looking for individuals who may be interested in serving as a Neighborhood Liaison for this program. Liaisons play an important role by receiving applications from seniors within their neighborhood and forwarded those applications to communityservices@pflugervilletx.gov so visits can be arranged. If you or someone else is interested in supporting your neighborhood this way, we would greatly appreciate your involvement.

Thank you for helping us strengthen community connections and support out senior residents. A copy of the registration is attached in both pdf and pdf fillable format.

Please reach out if you have any questions.
